Four-Season Living

Summer \

Gorgeous summer days and long summer nights are treasured at River's Edge. Days spent relaxing in the sun and enjoying backyard barbecues with friends and family seem endless. Fish along the shore of the Nottawasaga River right in your backyard, stop in at Grandma's Beach Treats for something sweet and enjoy an evening under the stars at Jazz in the Park. Summer memories at Wasaga will last you a lifetime.

Fall \

The air gradually turns crisp and Wasaga transforms with colour. Wasaga Provincial Park is alight with reds, oranges and yellows as you hike through Monument Trail. Beach days are coming to an end, but the shoreline is just as remarkable during a twilight stroll. You'll spend sunny weekends at Wasaga Adventure Park and Fernwood Farms. Autumn is the season for gathering and coming together and at River's Edge you'll always feel right at home.

Winter \

Wasaga under a blanket of freshly fallen snow is a sight to behold. Step outside your door and snowshoe the wintery terrain by the frozen Nottawasaga River. Hockey season reigns supreme at Wasaga Beach Arena and a quick drive to nearby Collingwood merits an afternoon of exploring its historic downtown. However, there's no better spot to enjoy a Canadian winter than the ski slopes at Blue Mountain, only 30 minutes away. Wasaga thrives in winter and is the ultimate adventure destination.

Spring \

As days grow longer and warmer, a new season of adventuring begins. Trees blossom in Oakview Woods and colour returns to Wasaga's shores. The neighbourhood bustles with activity, as kids break out their bikes and parents plan their seasonal landscaping. Hikers traverse the Nottawasaga Trail and eager golfers begin their season at Marlwood Golf and Country Club. It's a unique time of year, where everything feels new and possible.
