All colour and finishing selections are to be made at Tribute Decor Studio and from Tribute's standard samples. Tribute provides the services of a professional Design Consultant to assist purchasers in the completion of their interior colour selections and the selection of upgrades. The purchaser acknowledges that the Vendor's model homes have been decorated for public display purposes and may contain certain features and upgrade finishes and augmented services, which may not be included in the basic model type. Most additional features on display in the model home are available as extras. The Purchaser acknowledges that there shall be no reduction in the price or credit given for any standard feature listed herein which is omitted at the Purchaser's request.

Purchasers acknowledge and agree that variations in colour and shade uniformity may occur and the colours, patterns and availability of samples displayed in the Presentation Centre, Show Homes and Décor Studio may vary from those displayed and available at time of colour selection. Variations in uniformity and colour from Vendor's samples may occur in finished materials, kitchen and vanity cabinets and floor and wall finishes due to normal production processes. Hardwood flooring may react to normal fluctuating humidity levels producing gapping or cupping, both considered to be within acceptable industry standards. Carpeting may be seamed under certain conditions. Ceilings and walls may be modified to accommodate mechanical systems. Number of steps at front and rear may vary from that shown according to grading conditions and municipal requirements. Actual square feet may vary slightly depending on elevation selected. All dimensions stated, if any, are approximate. Actual useable floor space may vary from the stated floor area, if so stated. Corner lots and priority lots may have special treatments which may require window changes and minor interior modifications to balance and improve the exposed elevations. The purchaser accepts these changes as necessary.

ALL LEVIES, HYRDO & GAS METER HOOKUP COSTS INCLUDED.
